#### 2. HAZARDS IDENTIFICATION

# **Emergency Overview**

#### **GHS Classification**

Serious eye damage/eye irritation - Category 2B Flammable Liquids - Category 4 Skin corrosion/irritation - Category 3

# GHS Label elements, including precautionary statements

Signal: Warning

#### Hazard statement(s)

| H227                       | Combustible liquid.                                                                                                              |  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------|--|
| H320                       | Causes eye irritation.                                                                                                           |  |
| H316                       | Causes mild skin irritation                                                                                                      |  |
| Precautionary statement(s) |                                                                                                                                  |  |
| P210                       | Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.                                   |  |
| P280                       | Wear protective gloves/protective clothing/eye protection/face protection.                                                       |  |
| P264                       | Wash thoroughly after handling.                                                                                                  |  |
| P305+P351+P338             | IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. |  |
| P332+P313                  | If skin irritation occurs: Get medical advice/attention.                                                                         |  |
| P337+P313                  | If eye irritation persists get medical advice/attention.                                                                         |  |
| P370+P378                  | In case of fire: Use to extinguish.                                                                                              |  |
| P403+P235                  | Store in a well ventilated place. Keep cool.                                                                                     |  |
| P501                       | Dispose of contents/container to                                                                                                 |  |

# 3. COMPOSITION / INFORMATION INGREDIENTS

| Product Name                      | CAS NO                 | EC NO     | Concentration |
|-----------------------------------|------------------------|-----------|---------------|
| Eucalyptus Globulus Leaf/Twig Oil | 84625-32-1             | 283-406-2 | 30 to 100 %   |
| Laurus Nobilis Leaf Oil           | 8002-41-3 / 8007-48-5  | -         | 10 to 30 %    |
| Cinnamomum Camphora Leaf Oil      | 92201-50-8             | 295-980-1 | 10 to 30 %    |
| Citrus Limon Peel Oil             | 8008-56-8 / 84929-31-7 | 284-515-8 | 10 to 30 %    |
| Mentha Piperita Leaf Oil          | -                      | -         | 10 to 30 %    |
| Elettaria Cardamomum Seed Oil     | 8000-66-6 / 85940-32-5 | 288-922-1 | 1 to 3        |

# 4. FIRST AID MEASURES

## Eye contact

Immediately flush eyes with plenty of cool water for at least 15 minutes. Get medical attention if irritation occurs.

#### Skin contact

Remove contaminated clothing. Wash area with soap and water. If irritation occurs, get medical attention.

#### Inhalation

If inhaled, removed to fresh air. Get medical attention if symptoms appear.

#### Ingestion

Seek medical attention or contact local poison control center.

#### **5. FIRE FIGHTING MEASURES**

#### Suitable extinguishing media

Foam. Dry Powder. Carbon dioxide.

#### Unsuitable extinguishing media

Water spray, water jet.

# Special protective equipment and precautions for fire-fighters

Wear proper protective equipment. Exercise caution when fighting any chemical fire. Use water spray or fog for cooling exposed containers.

#### Special hazards arising from the substance or its combustible products

Hazardous decomposition products may be formed at extreme heat or if burned.

#### **Resulting gases**

Carbon oxides.

# **6. ACCIDENTAL RELEASE MEASURES**

## Personal precautions, protective equipment and emergency procedures.

Equip clean crew with proper protection. Respiratory protection equipment may be necessary.

#### **Environmental precautions**

Prevent entry to sewers and public waters. Notify authorities if product enters sewers or public waters.

#### Methods and materials for containment and cleaning up

Clean up any spills as soon as possible, using an absorbent material to collect it. Use suitable disposal containers.

## 7. HANDLING AND STORAGE

#### Precautions for safe handling

No direct lighting. No smoking. Ensure prompt removal from eyes, skin and clothing. Wash hands and other

exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Handle in accordance with good industrial hygiene and safety procedures.

## Conditions for safe storage, including any incompatibilities

Provide local exhaust or general room ventilation to minimize dust and/or vapour concentrations. Keep container closed when not in use.

## 8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

#### Eyes

Use tightly sealed goggles.

## Skin

If skin contact or contamination of clothing is likely, protective clothing should be worn. Use protective gloves.

#### Respiratory

In case of insufficient ventilation, wear suitable respiratory equipment.

#### 9. PHYSICAL AND CHEMICAL PROPERTIES

| Appearance       | : | Pale yellow to yellow clear liquid. |
|------------------|---|-------------------------------------|
| Odor             | : | Characteristic aroma.               |
| Flash point      | : | 52.0°C                              |
| Relative density | : | 0,880 to 0.910 @ 25°C               |
| Solubility (ies) | : | Insoluble in water, Soluble in oil  |
| Refractive index | : | 1.4650 to 1.4770 @20°C              |
| Optical rotation | : | Not available.                      |
|                  |   |                                     |

#### **10. STABILITY AND REACTIVITY**

#### Reactivity

This material presents no significant reactivity hazard.

### **Chemical stability**

Chemically stable.

#### Possibility of hazardous reactions

Hazardous polymerization will not occur.

#### **Conditions to avoid**

Avoid sparks, flame and other heat sources.

#### Incompatible materials

Strong oxidizing agents.

## Hazardous decomposition products

Carbon Oxides.

## **11. TOXICOLOGICAL INFORMATION**

#### **Acute toxicity**

Not available.

#### Carcinogenicity

None of the components of this material are listed as a carcinogen.

#### Skin contact

Adverse skin effects should be prevented by normal care and personal hygiene.

## Eye contact

Possible irritation should be prevented by wearing safety glasses.

## **12. ECOLOGICAL INFORMATION**

## Ecotoxicity

Avoid any pollution of ground, surface or underground water.

## Persistence and degradability

Not available.

## **Bio - accumulative potential**

Not available.

# Mobility in soil

Not available.

# **Other adverse effects**

Not available.

## **13. DISPOSAL CONSIDERATION**

Dispose of product in accordance with local, state or provincial and federal regulations. Check with local municipal authority to ensure compliance.

#### **14. TRANSPORT INFORMATION**

### US DOT Shipping Description (Land)

Not regulated.

# IMO-IMDG Shipping Description (Sea)

Not regulated.

## **IATA Shipping Description (Air)**

Not regulated.

### **15. REGULATORY INFORMATION**

#### California Proposition 65

WARNING:

This product can expose you to Myrcene, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

#### **GHS Hazard Statements**

Refer to Section 2.

### **GHS Precautionary Statements**

Refer to Section 2.

# **16. OTHER INFORMATION**

Revision date

June 26,2023

:

#### **Disclaimer & Caution**

Please refer to all relevant technical information specific to the product, prior to use. The information contained in this document is obtained from current and reliable sources.
